COMPETITION FOR THE CONFERRAL OF 3 COLLABORATION CONTRACTS AT THE DONDENA RESEARCH CENTRE OF UNIVERSITA' COMMERCIALE "LUIGI BOCCONI" OF MILAN, FINANCED BY ERC

Article. 1

The Università Commerciale "Luigi Bocconi" of Milan is launching a competition based on qualifications and tests for the conferral, by means of an appropriate contract, of 3 collaboration contracts with the following characteristics:

Duration: 6 months

Research Centre: DONDENA

Financed by: ERC

Scientific Coordinator: Prof. Tamás Vonyó

Research Project

SpoilsofWar: The Economic Consequences of the Great War in Central Europe (GA 803644)

We conduct a comprehensive investigation into the impact of World War I on industrial concentration and regional economic development in the Habsburg Empire and its successor states. We study how the war economy affected industry location and regional economic structure as well as industry clusters and networks in Central Europe, using recently developed tools in historical economic geography and comparative business history. The project also traces the evolution of living standards in major cities and complex border effects resulting from both imperial legacies and the disintegration of the empire.

Job description:

Support the research activities of the SpoilsofWar project in data collection and data processing. The job requires the ability to work either in Budapest or Prague, or Vienna and may require travelling to regional archives within the respective countries. The job does not require either residence in or travelling to Milan.

Article. 2 **Admission Requirements**

To participate in the competition, the candidate must have the following requirements:

- **Qualification:** at least a Bachelor degree in history, economics, or social sciences;
- **Proficiency in using Excel;**

- At least good working knowledge of English;
- Proficiency either in German or in Czech or in Hungarian;
- Knowledge of other central European languages might be considered an advantage.
Experience in archival research and/or in GIS may be considered an advantage.

Relatives (up to the fourth degree of kinship) of professors in the University Council, the University Rector, or the Director General may not apply.

Candidates must be in possession of the above-mentioned requirements by the deadline for the presentation of applications as indicated in this advertisement.

Candidates may obtain conditional acceptance. At any time, the administration can arrange, within reason, exclusion from the selection procedure due to the lack of the necessary requirements.

Article. 3 Applications

Applicants should apply by submitting the complete package via our on-line application system, which can be found at https://jobmarket.unibocconi.eu/?type=c&urlBack=/wps/wcm/connect/Bocconi/SitoPubblico_EN/Navigation+Tree/Home/faculty+and+research/research/Calls/ by 5 p.m. CET on 16/10/2021.

Applications must clearly indicate:

- Name and surname
- date and place of birth
- fiscal code
- citizenship
- residence
- contact address
- qualifications

The application must include the following documents, attached and sent via e-mail:

- Application letter explaining the motivation for and any experience in similar work;
- Degree certificate (3-year degree, postgraduate degrees is applicable), in pdf format;
- Short academic and professional CV, in pdf format;

Article. 4 Evaluation Committee

The Evaluation Committee is composed as follows:

- 1st member: Director of the Research Centre or a representative
- 2nd member: Scientific Coordinator

- 3rd member: a person jointly appointed by the Director of the Research Centre and the Scientific Coordinator

The selection will be carried out by means of an evaluation of qualifications and an interview.

The Committee can allocate a maximum of 100 points for each candidate:

- Maximum 40 points for the evaluation of the CV academic and professional qualifications (phase 1);
- Maximum 60 points for the evaluation of the interview (phase 2).

Based on the selected range for the evaluation of the CV and academic qualifications, the Evaluation Committee may indicate, in the evaluation minute, a minimum threshold for being admitted to the interview stage.

The total (phase 1 and phase 2) minimum score to be included in the ranking list is 60.

Candidates will be informed of the interview date via e-mail, with suitable advance notice. Interviews may be held via conference call, or face to face at the University premises.

The Committee will evaluate the candidates and will rank these based on the scores obtained. The list will be valid until the end of the project, should the Scientific Coordinator wish to use the same list to recruit additional researchers.

Winning candidates will be notified in writing of the award decision. Candidates must sign the contract at the latest 15 days after receipt.

The contract is individual and indivisible.

Article.5 ***Rights and Duties of the Contract Worker***

The contracts will have a duration of 6 months and will start on 01/11/2021.

Conferral of the contract implies a commitment to undertake research and dissemination activities at the university or any other contractually agreed location.

The normal obligations of the Contract Worker include:

- Research activity in the context of the Research Project, under the supervision of Prof. Tamás Vonyó, Scientific Coordinator of the project, who will assess the activity undertaken.

Activities undertaken outside of the scope of the contract, should not conflict with the contract with the University. The Director of the Centre will assess potential conflicts of this nature, following a consultation with the Scientific Coordinator.

Such circumstances will lead to the termination of the contract.

The conferral of the contract does not constitute an employment contract and does not confer any rights to teaching roles within the University.

Article.6
Financial Compensation

The amount of each contract is **€ 6.250 gross**.

The University will provide accident and liability insurance cover.

Payments will be normally made in monthly post-dated instalments, following the submission, by the deadline indicated by the Administration Department, of a payment note signed by the Scientific Coordinator who will verify the activity undertaken.

Article.7
Causes of deferral or suspension of the contract

If a candidate is on maternity leave, minimum payments will be made by INPS (national insurance) with a top-up payment made by Bocconi University up to the monthly amount of the contract.

Article. 8
Treatment of Personal Data

All personal data supplied to the Faculty Division and Research Area of Bocconi University will be used for the current evaluation procedure and for the conferral of a collaboration contract.

Article. 9
