

Bocconi University— Full Professor Positions at the Department of Economics

The Department of Economics at Bocconi University, Milan (Italy), is seeking to fill a position at the Full Professor level in Economics. For this job opening the Department is interested in the fields of International Trade.

Priority will be given to candidates with proven evidence of outstanding recognition in the international academic community, having both worked or currently working in leading institutions in Europe, and an established track-record of publications in leading international journals in Economics.

The working language at Bocconi University is English, hence applicants should have a high level track-record of teaching in English.

Salaries, research accounts, and teaching loads are competitive with leading academic institutions abroad. Bocconi faculty is expected to teach in the undergraduate, masters, and PhD programs. Productivity and leadership in research and excellence in teaching are expected.

Statements of interest and CVs should be submitted in .pdf format via the on-line e-form which can be found at:

<http://www.unibocconi.eu/recruitingseior>

Applications will be considered **within 13th March, 2017**. Only selected candidates will be contacted for further steps.
