Final Report – Milan, 15/03/2019, Stefano Rossi

Summary: The Committee scrutinized all the 236 applications received for the position of Assistant Professor. After a first screening round, we selected the 25 best candidates in terms of: i) high quality of research work, ii) research field, iii) curriculum vitae, iv) strong reference letters. We interviewed each of these candidates at the ASSA meetings in Atlanta, and we selected eight of them for a flyout. During the flyouts, the Committee looked at the following additional aspects: v) quality of job market paper presentation, and vi) potential for good teaching (especially in the areas relevant to the Department) and service performance. The Committee decided to extend three offers to OMISSIS

Unfortunately the offers were not accepted.

In conclusion, we received 236 applications, of whom we interviewed 25 candidates, invited 8 for flyouts, made 3 job offers, which unfortunately were not accepted. We therefore request to close this call with no positions filled.

Sincerely,

Stefano Rossi (Head of Department Hiring Committee)
