

Bocconi University

The Department of Management and Technology at Bocconi University, Milan (Italy), is seeking to fill one position at the Associate Professor level in the field of Strategy with particular focus on Innovation, Knowledge Creation and Transfer. The department is in a sustained period of growth and internationalization, with several faculty members hired in the last three years.

Applicants should have an established track-record of publications in top international journals and evidence of leadership and recognition in the international academic community. The working language at Bocconi University is English, hence applicants should have a track-record of teaching in English.

Salaries, research accounts and teaching loads are competitive with leading academic institutions abroad. Bocconi faculty is expected to teach in the undergraduate, graduate, executive education, and PhD programs. Productivity and leadership in research and excellence in teaching are expected.

Statements of interest and CVs should be submitted via the on-line e-form which can be found at <http://www.unibocconi.eu/recruitingseior>.

Applications will be considered until **February 12th, 2018** and the selection process will go on until suitable candidates are found. Only selected candidates will be contacted for further steps.
